## 1. Aims

Our school aims to meet its obligations under the public sector equality duty by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics - between people who share a protected characteristic and people who do not share it

## 2. Legislation and guidance

This document meets the requirements under the following legislation:

- The Equality Act 2010, which introduced the public sector equality duty and protects people from discrimination
- The Equality Act 2010 (Specific Duties) Regulations 2011, which require schools to publish information to demonstrate how they are complying with the public sector equality duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: The Equality Act 2010 and schools.

## 3. Roles and responsibilities

The governing board will:

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents, and that they are reviewed and updated at least once every four years
- Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the headteacher

The equality link governor is Stephen Morrill

- Attend appropriate equality and diversity training
- Report back to the full governing board regarding any issues

The headteacher will:

- Promote knowledge and understanding of the equality objectives amongst staff and pupils
- Monitor success in achieving the objectives and report back to governors

The designated member of staff for equality, Eilish Bateman, will:

- Support the headteacher in promoting knowledge and understanding of the equality objectives amongst staff and pupils
- Support the headteacher in identifying any staff training needs, and deliver training as necessary

All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

#### **4. Eliminating discrimination**

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and governors are regularly reminded of their responsibilities under the Equality Act, for example during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.

New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training every year or as necessary.

The school has a designated member of staff for monitoring equality issues, and an equality link governor. They regularly liaise regarding any issues and make senior leaders and governors aware of these as appropriate.

#### **5. Advancing equality of opportunity**

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have (e.g. pupils with disabilities)
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)

In fulfilling this aspect of the duty, the school will:

- Publish attainment data each academic year showing how pupils with different characteristics are performing
- Analyse the above data to determine strengths and areas for improvement, implement actions in response and publish this information

- Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying)
- Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our own pupils

## **6. Fostering good relations**

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and we will also invite external speakers to contribute
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school. For example, our school council has representatives from different year groups and is formed of pupils from a range of backgrounds. All pupils are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures
- We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

## **7. Equality considerations in decision-making**

The school ensures it has due regard to equality considerations whenever significant decisions are made.

The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

The headteacher regularly monitors risk assessments to ensure we have actively considered our equality duties and asked ourselves relevant questions. This is recorded on the risk assessment when planning school trips and activities.

## 8. Equality Information

Number of pupils on roll at the school: 212

Age of pupils: 3 to 11

### Information on pupils by protected characteristics

The Equality Act 2010 protects people from discrimination on the basis of protected characteristics. Every person has several of the protected characteristics, so the Act protects everyone against unfair treatment.

In order to ensure that all pupils are protected from discrimination, the school collects information on protected characteristics.

### Information on other groups of pupils

In addition to pupils with protected characteristics, we gather further information on the following groups of pupils:

- Pupils eligible for Free School Meals (FSM)
- Pupils with Special Educational Needs (SEN)
- Disadvantaged group
- Pupils with English as an Additional Language (EAL)
- Young carers
- Looked after children
- Other vulnerable groups

It may be possible to identify individuals from the information provided when the number of pupils with a particular characteristic is low and the information is sensitive personal information. In these cases we have indicated this by an asterisk\*.

Through rigorous tracking and monitoring of individuals and of all the groups of children, including progress and attainment, and by providing equal opportunities to access the curriculum and activities, we aim to ensure that any gap in attainment for pupils within any of the above different groups is removed, or at least remains less than the gap nationally.

### **Eliminating discrimination and other conduct that is prohibited by the Act**

The information provided here aims to demonstrate that we give careful consideration to equality issues in everything that we do at St Paul's Primary School. 'Due regard' ensures that we work towards eliminating discrimination, harassment and victimisation and other conduct that is prohibited by the Equality Act.

We are committed to working for equality for all our staff, parents/carers and children to meet our duties under the Equality Act 2010.

We eliminate discrimination by:

- Reporting, responding to and monitoring all racist incidents
- Regularly monitoring the curriculum to ensure that the curriculum meets the needs of our pupils and that it promotes respect for diversity and challenges negative stereotyping
- Teaching is of the highest quality to ensure children reach their potential and all pupils are given equal entitlement to success
- Tracking pupil progress to ensure that all children make rapid progress, and intervening when necessary
- Ensuring that all pupils have the opportunity to access extra-curricular provision
- Listening to and monitoring views and experiences of pupils and adults to evaluate the effectiveness of our policies and procedures.

### **Advancing equality of opportunity between people who share a protected characteristic and people who do not share it**

We advance equality of opportunity by:

- Using the information we gather to identify underachieving groups or individuals and plan targeted intervention
- Ensuring participation of parents/carers and pupils in school development
- Listening to parents/carers
- Listening to pupils at all times

### **Fostering good relations across all characteristics - between people who share a protected characteristic and people who do not share it**

We foster good relations by:

- Ensuring that St Paul's C of E Primary School is seen as a school that serves all within our local community

**Ensuring that equality and diversity are embedded in the curriculum and in collective worship.**

## **9. Equality objectives**

Objective 1: To monitor and analyse pupil achievement by race, gender and disability and act on any trends or patterns in the data that require additional support for pupils.

Objective 2: To raise levels of attainment in core subjects for vulnerable learners.

Objective 3: To review levels of parental and pupil engagement in learning and school life, across all activities to ensure equity and fairness in access and engagement
