Headteacher: Caroline Moore

Dear Parents,

You can now make online payments to school via credit or debit card.

'School Gateway' allows you to make online payments via their smartphone app or website. You will also be able to view school meal balances and top them up at any time.

What you need to do now:

Download the App: If you have a smartphone, please download School Gateway from your app store (Android and iPhone). The app shows the same information as the website.

OR

Visit the website: www.schoolgateway.com and click on 'New User'. You'll receive a test message with a PIN number. Use this PIN to login to School Gateway.
We'll notify you by text when new items are available for payment.

Can't activate your account?

If you are having trouble logging in, it may be because the school doesn't have your current e-mail and mobile phone number on record. Please call the school and we'll update the details on our system. We hope that you will find the School Gateway to be a fast and easy way to pay for school dinners and class trips.

ALL PARENTS ARE EXPECTED TO PAY ON-LINE - unless you have informed the school office that you do not have the facilities to pay this way.

Dinner money information: The cost of a school meal is £2.40 and you need to have credit on your account for your child to receive a school dinner. School Gateway will help you keep track of your account. A text reminder will be sent if dinner money is owed, and a prompt response is required. If debt increases you will be asked to provide a packed lunch until it is cleared.

Yours Faithfully

Lindsey Woodley
Office Administrator.
