

# Attendance Policy

St. Paul's School

Chipperfield

## “Love to Learn; Learn to Love”

*September 2015*

### General Statement

The school recognises the need for good attendance for all pupils in order that we can provide the best learning opportunities for all. We understand that consistent attendance provides continuity in the building of essential skills, in learning as well as in teaching. We see the whole school community as having responsibility for providing and maintaining good attendance; pupils, all staff and parents and carers.

### Statutory Framework

Under the Education Act, a pupil is required to attend regularly at the school where they are registered as a pupil. The school is obliged, by law, to maintain accurate records of attendance and to differentiate between authorised and unauthorised absences.

**Parents** are made aware that their children are expected to attend school regularly and punctually as well as being properly dressed and in a fit condition to learn. If a child is unable to attend or is expected to be late, parents must inform the school as soon as possible by phone. Absence is considered as being unauthorised until a satisfactory explanation is forthcoming from the parent or carer. Only the school, not the parent, can authorise an absence. On the child's return to school, the parent must provide a written explanation of the absence. Family holidays during term time are not permitted.

**Staff** will report any concerns regarding absences to the office staff, who will follow up any unexplained absences by telephone. If concern continues, the Headteacher will then be informed, who will then contact the parents for a satisfactory explanation. Parents are informed if a problem has been identified. Letters are then sent by the school to parents who do not provide evidence as to why their child has been absent. Letters are sent out at the end of each term to parents whose attendance is causing concern. The **Attendance Improvement Officer** monitors attendance and problems are discussed with the Headteacher. Where appropriate, links are made with other agencies and with partnership schools.

Every effort is made by the school to motivate good attendance by offering an environment in which pupils feel valued, supported and welcome. Certificates are awarded to pupils with excellent or significantly improved attendance.

The Headteacher makes an annual report to Governors on attendance and the Secretary completes an electronic return to the DfE each term for monitoring.

The Headteacher may not grant any leave of absence during term time unless there are exceptional circumstances. A request needs to be made in writing to the Headteacher. *NB: Headteachers no longer have the discretion to allow up to 10 days in a school year for a family holiday or to agree leave for parents to visit their country of origin*

**Authorised absences are:**

- Illness.
- A special religious festival day observed by the family.
- Family bereavement.
- Medical appointments for the child.
- Participation in an approved performance.
- Other educational reasons.
- Exceptional special occasions such as the graduation of an older sibling.

**Unauthorised absences are:**

- No explanation is forthcoming.
- The school is dissatisfied with the explanation.
- A shopping trip.
- Birthdays.
- Holidays taken during term time

Where unauthorised absences persist, or absence sessions reaches 21 (1 session = half a day) or more in the current and/or previous term, you may be issued with a Penalty Notice. If a holiday is taken then this absence is classed as unauthorised and illegal leaving you at risk of a fixed term Penalty Notice without warning.

**Registration and Policy for latecomers**

The first whistle to signal that school is open will be blown at 8.50am, upon which children may start to make their way to classrooms. Children must be on the school premises by 8.55am when the second whistle is blown to show that the school day has officially begun and that pupils should be in classrooms. Registration is at 9.00am and registers close at 9.25 am. Children who arrive between the register being taken and 9.25am are marked as late. Children who arrive after the close of registers are marked as absent. These children are signed in the late arrivals book at the school office. Similarly children who have to leave early are signed out by a parent in the school office. Registers are completed in accordance with Hertfordshire County Council Policy and are checked at the end of each week by a member of staff who co ordinates registration and absences.

Concerns about children who arrive after 8.55 am on a regular basis should be brought to the Headteacher. The Headteacher may feel it necessary to speak to the parents about punctuality. Parents and children are frequently reminded about punctuality in school communications. Both attendance and punctuality are reported on in the child's annual report.

This policy is reviewed at least every two years by the Governors' Pupil Committee.
