Dear Parents,

Re: Universal Free School Meals

As you are aware, the Government announced that from September 2014 all infant pupils (reception, years 1 and 2) will be entitled to a free, nutritious school meal at lunchtime. This new scheme is to help improve healthy eating and support children with the energy they need to concentrate in class throughout the day.

If you would like your child/children to have school dinners, please let the office know by returning the form below by **Wednesday 9th July**. They can have school dinners once, twice or more days per week, just as long as it is the same days each week. Any changes, please give at least one week's notice.

If your child has specific dietary needs, or has any allergies to nuts or similar, please let the office know immediately and Herts Catering will do their best to provide a suitable menu.

Yours Sincerely,

Adrienne McKenzie
Office Manager
