Dear Parents and Carers,

Online Safety Parents Evening

We were so pleased to provide such an informative and worthwhile workshop for parents this week. Thank you so much to those parents that came, one of whom stated:

'Every parent with primary school children should attend this workshop. It's a must.'

Parent of a Year 4 child

All who attended found it so useful and I know many of us went straight home and started implementing her advice.

Please follow this link and visit the [Online Safety](#) page on our school website for more information and advice.

FOSP News

Our next meeting is at Blackwell's on Tuesday at 8pm. We'd love to see as many of you there as possible.

The Chipperfield Village Festival Sunday 14th May 12-6pm

Please come and support this fantastic event at Blackwell's. The FOSP will have a stall at the event. It will be great to see you there, supporting the school and the local community. If anyone is available to help out in anyway or would like to run their own stall/table, please contact Debbie Clayton or let the school office know.

Non Uniform Day - Friday 12th May

Next Friday will be a non-uniform day in exchange for a Jazzy Jar or a bottle for the tombola stall at the Village Festival. Your contributions are always greatly received and can be brought in any day next week. The more we get the more money the stall

Twitter

Many parents are receiving updates of school events as they happen because they are members of our closed Twitter group. If you have a Twitter account and you would like to join up, send us a request, we can be found at StPaulsChipperfield or @StPaulsChip. If your Twitter account name is unrecognisable please email either myself (teacher1@stpauls909.herts.sch.uk) or Mrs Smith (teacher6@stpauls909.herts.sch.uk) and inform us of your name and we will accept you. It is a great way to stay informed particularly when your child is being educated off site.

Kingswood

It looks and sounds like Year 4 have had a fantastic, though chilly, few days in Kingswood. We are looking forward to welcoming them back later this afternoon. They are due around 4.30pm but will text if this changes considerably. There have been some great photos shared on Twitter. We look forward to hearing more of their news in their sharing assembly next Friday.

Assessments

We wish Year 6 good luck in their assessments next week. They have been working incredibly hard and all we can ask is that they do their best. Plenty of early nights and good breakfasts will help!

Fidget Spinners

Unfortunately we have had to ban the latest craze of 'fidget spinners' as instead of being used for their intended purpose they have now become a distraction to learning and are being taken out onto the playground where they can be extremely dangerous. Thank you for your support in this matter.

This Week's Attendance Figures:

Yr 4	Yr 1	Yr 6	Yr 5	Rec	Yr 2	Yr 3
