Dear Parents and Carers,

School Admission Tests

Further to my previous correspondence, any pupils wishing to take the school admissions tests for the SW Herts Admissions Consortium should be registered before Friday 16th June. This consortium comprises the eight secondary schools in the area which operate admission tests for a proportion of their intake: Parmiter's, Queens', Rickmansworth, Bushey Meads, St Clement Danes, Watford Grammar School for Boys, Watford Grammar School for Girls and Croxley Danes School. The website address is: www.swhertsschools.org.uk **Late registrations will not be accepted.**

Ascension Balloons

Two of the balloons that we released on Ascension Day have been found. One was found by Jack, a 6 year old boy from Marlow (about 25 miles away), who emailed a picture of himself with the balloon and said, "We are excited to find it as we don't have neighbours too near to us - only cows and sheep." The other was found by a teacher in Bledlow, Bucks (25 miles away); she said that it was a thoughtful prayer and her dog, Alfie, "woofed at it bobbing along!"
