1st September 2017

Dear Parents,

Now that your child is moving from Year 2 to Year 3 you are required to pay for their school dinner (unless you are entitled to free school meals – further information is available on the school website).

You can now make online payments to school using a credit or debit card via 'School Gateway'. This means that you will be able to make online payments via the School Gateway smartphone app or website. You will also be able to view school meal balances and top them up at any time.

Many of you will have already signed up to school gateway to pay for the Year 2 Whipsnade Zoo trip, if this is the case you will be able to access school dinners this way. If you have not yet signed up please see below.

What you need to do now:

Download the App: If you have a smartphone, please download School Gateway from your app store (Android and iPhone). The app shows the same information as the website.

OR

Visit the website: www.schoolgateway.com and click on 'New User'. You'll receive a test message with a PIN number. Use this PIN to login to School Gateway.

Can't activate your account?

If you are having trouble logging in, it may be because the school doesn't have your current e-mail and mobile phone number on record. Please call the school and we'll update the details on our system. We hope that you will find the School Gateway to be a fast and easy way to pay for school dinners.

ALL PARENTS ARE EXPECTED TO PAY ON-LINE - unless you have informed the school office that you do not have the facilities to pay this way.

Dinner money information: The cost of a school meal is £2.30 and you need to have credit on your account for your child to receive a school dinner. You are able to pay as much or as little as you want as long as it covers the cost of a school dinner and your account is always in credit.

Yours Faithfully

Lindsey Woodley
Office Administrator.
